### *Father, Son and Spirit*

When we think of the word Spirit can we think of something lively? A sort of a flow of living water; a cycle race rather than a traffic jam. The flow of life in us rather than the ways we block life. It is the spirit of God whom we call Father, Son or Christ and Spirit. We live in that sort of love. The church is called to be that sort of community.

The trinity can make God totally distant. But that is not Jesus. He is the one who gets right into life, bringing God into humanity as one of us. Jesus talked so much about farming, weddings, death, illness, joys, trust, creation, nature, breakfasts, gardens, dinners; he is the God of the table more than the God of the temple. His spirit flows in all of creation, love, suffering and joy; He finds us in all things.

We need that big view of God. He makes everything sacred. Even the name Father, Son and spirit.

Our call is to flow with him, to go with the flow of God's Spirit. We are the flow of God in the world.

We become what we receive – the love of the Trinity in the world. We become like Christ himself as we receive this bread of life, called to be his witnesses. By what we say and do, in all we are.

Give thanks to the Lord for his presence in the Eucharist. Father, Son and Spirit,  
enfold me in love, the love of your eternal life.

**WONDER AND GRATITUDE: OUR RELATIONSHIP WITH NATURE AND THE WORLD WE INHABIT**". Saturday 2nd June, 10:30am to 4pm, Community Centre, Aghagallon. We are pleased to welcome Mary Angela Dunne from Dublin in our Parish who invites us to explore with her the close relationship between ourselves and the animal and floral world that we inhabit. Angela's work is strongly linked to Pope Francis' 2nd encyclical *Laudato Si'* (Praise be to you), which is subtitled "On Care For Our Common Home." In *Laudato Si'*, Pope Francis laments the widespread environmental degradation and calls all people of the world to take "swift and unified global action." Angela will share some of the insights she has gained through her own research as well as her membership of her local "Care for the Earth" group. Angela does not claim to be someone of any special expertise, but she has become passionate about the environment and our need to understand our world and the wonder of the creation we inhabit.

Take a day out from the general hustle and bustle of every-day's life and join us for this day of reflection, which will remind us of how important our environment is, from the sun to hidden heroes in the oceans and the soil, and the responsibility we have to care for our world. To reserve a place for this free event, please contact the parish office on 028 9265 1214.
