SAFEGUARDING MATTERS and is EVERYONE'S RESPONSIBILITY

Safeguarding within our Church community is about making our Church a safe, welcoming and enriching place for children, young people and adults and those who may be at risk of harm. Although the Diocesan Safeguarding Office may take a lead role in outlining the key aspects of what needs to be in place to protect children and adults from harm, safeguarding is very much a shared community responsibility in which each and every one of us has a part to play, whether that is simply by looking out for each other, by being alert and reporting a concern about a child or adult or by volunteering in the parish in any of our safeguarding activities.
