**ACTION ON HEARING LOSS:** Have you been considering volunteering? Waiting for the right role or a personal connection to a volunteering vacancy? This is for you.... Do you or someone you know have a hearing loss and or tinnitus? Currently there are 300,000 people in Northern Ireland with a hearing loss, 1 in 6 people and this number is estimated to increase to 1 in 5 by 2024.

Action on Hearing Loss aims to offer local support to everyone with hearing loss throughout Northern Ireland, we are reaching out to local people interested in a volunteering role, supporting their local community.

Can you spare 2 hours per month? If you can, we would love to hear from you.

2 hours per month could support an isolated older person with a much needed befriender, your local community with a hearing aid support session, your local hospital with an information stand or raise vital funds through a fundraising event.

There are roles to suit everyone, full training will be provided and expenses will be paid.
