WHAT DOES SAFEGUARDING MEAN IN THE DIOCESE OF DOWN & CONNOR?

The practice of safeguarding within the diocese of Down & Connor refers to the wide range of services, plans and activities that are put in place to protect both children and adults from being exploited or harmed, abused or neglected in any way. Safeguarding within our Church community is about making our Church a safe, welcoming and enriching place for children, young people and adults and those who may be at risk of harm. Although the Safeguarding Office may take a lead role in outlining the key aspects of what needs to be in place to protect children and adults from harm, safeguarding is very much a shared community responsibility in which each and every one of us has a part to play, whether that is reporting a concern about a child or adult or by simply volunteering in your parish in any of our safeguarding activities.
