*Love and call*

We notice a big change of Life for the disciples – they leave the past to follow the Lord, leaving behind their old jobs and roles but also what might block them from living fully. To follow the Lord joyfully we need to believe in ourselves as valued in the sight of God. We pick up messages about ourselves from significant people and we have to let them go. A child whose parents separate often feels unloved and needs the care and love that shows they are okay, Many addicted people have, deep down, a sense of not being loved. Every child coming into the world deserves to know that he or she is loved. We believe that the first gift of our faith is the love of God, the humble God who became one of us in love. In religion we need to touch into the love and the call of God, by gradually letting go of the things in the world that prevent from knowing God's love. The first of the apostles had something new. Each of us, week by week can get this new thing, the love of God.

Everything else flows from that. To know the love of God is a huge gift, and to know the love and acceptance of another or a few others in life is also a huge gift. Both are one, in every love and friendship we have.

*Is there anything keeping you from living in God's love?*

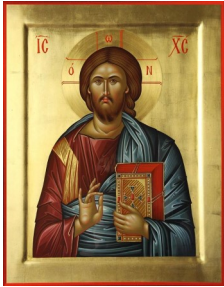

*Ask his help in this.*

*Lord, Let me know your love day by day and share with all I meet.*
