### **The Popes Intentions for July 2022** **For the Elderly**

As the Church gears up to celebrate the 2nd World Day for Grandparents and the Elderly on 24 July, Pope Francis is calling on Catholics to pray throughout the month for the elderly. His July prayer request comes on the heels of last month's intention for families, and was accompanied by The Pope Video. "We cannot speak about family without talking about the importance of the elderly among us," said the Pope in the video, tying the two prayer intentions together. He noted that never before in human history have there been so many elderly people, saying "we don't quite know how to live this new stage of life: there are many plans for assistance for the old age, but few projects for existence."

#### **'Teachers of tenderness'**

Pope Francis reflected on the need the elderly have for special care and the gifts they can offer younger generations. *We elderly people often have a special sensitivity for care, for reflection, and affection. We are, or we can become, teachers of tenderness.* He added that our war-filled world greatly requires "a true revolution of tenderness", saying the elderly can help take the hard edge off society.

#### **'Wisdom of a people'**

The Pope also reminded everyone that grandparents and the elderly must be celebrated, especially on the World Day dedicated to them. "Let us remember," he said, "grandparents and the elderly are the bread that nourishes our lives; they are the hidden wisdom of a people."

In conclusion, Pope Francis urged all Catholics to pray for those living through old age .

*"Let us pray for the elderly, that they may become teachers of tenderness so that their experience and wisdom may help young people to look towards the future with hope and responsibility."*
