## **Safeguarding Matters and is Everyone's Responsibility**

The practice of safeguarding within the diocese of Down & Connor refers to the wide range of services, plans and activities that are put in place to protect both children and adults from being exploited or harmed, abused or neglected in any way.

Safeguarding within our Church community is about making our Church a safe, welcoming and enriching place for children, young people and adults and those who may be at risk of harm. Although the Safeguarding Office may take a lead role in outlining the key aspects of what needs to be in place to protect children and adults from harm, safeguarding is very much a shared community responsibility in which each and every one of us has a part to play, whether that is reporting a concern about a child or adult or by simply volunteering in your parish in any of our safeguarding activities.

**Web Camera's** Mater Dei Church and St Joseph's are both equipped with web-cameras. All Liturgies are broadcast. The cameras are live 24/7 and are focused on the Sanctuaries and first three seats at the front of each Church. To access the broadcasts, go to: [www.churchservices.tv/stjosephglenavy](http://www.churchservices.tv/stjosephglenavy) or [www.churchservices.tv/materdeicrumlin](http://www.churchservices.tv/materdeicrumlin). The web-cams enable us to attend Mass, however they do not allow us to receive the Eucharist, the Body of Christ. When possible, we should attend Mass in the Church whenever our circumstances permit in order to receive Holy Communion.

**Making your offering to the church** Parishioners are encouraged to make donations to the parish either by using the parish envelopes or by means of bank transfer.
