### PATHWAYS TO THE FUTURE

This weekend we celebrate *Corpus Christi*, a solemnity of the Church that allows us to reflect on the Most Holy Body and Blood of Jesus Christ. One of the early Church Fathers, St John Chrysostom, understood how the Eucharist draws the whole Church together. "What is the Bread actually? The Body of Christ. What do communicants become? The Body of Christ! Just as the bread comes from many grains, which remain themselves and are not distinguished from one another because they are united, so we are united with Christ."

St Paul teaches us that Christ is the head of the Church, and we are the body, which is made up of many parts that work together. He's saying that we all have unique roles in the Church and as lay men and women, religious and priests we are called to work together. This is the vision of our *Pathways to the Future* programme too.

When we come to Mass, we are one family of God's people. When we leave, we carry Christ with us, and we bring him out into the world. As we celebrate Corpus Christi, may we be strengthened and nourished by the Eucharist we receive to go out and serve God and his people.

### Pathways to the Future Prayer

God of Love,  
 You are with us in every transition and change.  
 As we enter into this new era with excitement and even some anxiety,  
 we recall your deep compassion, presence, and abounding love.  
 We thank you for the gifts, talents, and skills with which you have blessed us.  
 We thank you for the work of others that gives breadth and depth to our own work.  
 Be with us as we move forward, rejoicing with you and supporting one another.  
 We ask this in your Holy Name.  
 AMEN

They will be involved in a week of outreach to young people in Crumlin and running a Bible Club for children in the morning. The team of 8 will require meals throughout their stay in Crumlin. They would be very grateful if volunteers from the local churches would use their gifts of hospitality (which have been a real blessing) and cook dinner for the team. This could then be delivered to St. John's Halls on the Lurgan Road where they will eat each night. If anyone is able to help, can you please confirm with the Parish Office as soon as possible.

**Web Camera's** Mater Dei Church and St Joseph's are both equipped with web-cameras. All Liturgies are broadcast. The cameras are live 24/7 and are focused on the Sanctuaries and first three seats at the front of each Church.
